Sub: Approval of Chief Controller of Explosives (CCOE) for dispensing CBG - reg.

Sir,

It is informed that a licence in Form G under Gas Cylinders Rules, 2016 for dispensing of compressed gas or compressed bio gas in a CNG/CBG dispensing station as Automotive fuel is granted by PESO. It is to be noted that the body of the said licence clearly reflects that the licensee is authorized to dispense either CNG or CBG from the dispensing station. Therefore, waiving of the requirement of fresh approval for dispensing of CBG from CNG station and vice-versa does not arise.

In light of the above, no action is warranted on the subject matter by PESO.

Yours faithfully,

(P. Seeniraj)

Dy. Chief Controller of Explosives
for Chief Controller of Explosives
